APPLICATION IS NOW OPEN!

# Profile of Universitas Airlangga

Established on 10 November 1954, Universitas Airlangga (UNAIR) currently has 14 faculties and a school of postgraduate, ranging from basic sciences, medicine, and social sciences. Its vision is to become an independent and innovative university regionally and globally, a forerunner of science development, technology, humanities and arts based on excellent morality and religions.

For many years, as an institution of higher education, Universitas Airlangga has always tried to improve the quality of its education and the supporting facilities in order to achieve Universitas Airlangga's vision to produce the best graduates who are not only excellent in academics but also have good morality. Universitas Airlangga has three campuses which are located in three strategic locations in Surabaya, Indonesia. Campus A, which consists of Faculty of Medicine and Faculty of Dentistry, has arrays of beautiful Dutch-built buildings and located right in front of the provincial hospital, Dr. Sutomo Hospital.

Campus B mainly consists of social science-based faculties, such as Faculty of Law, Faculty of Economics and Business, Faculty of Social and Political Sciences, Faculty of Psychology, and Faculty of Humanities. It also has one life-science faculty, the Faculty of Pharmacy. On Campus B, there are several main institutional support system/units for the university, which are the Central Library, Post Graduate Programs, and Center for Health Care.

Campus C, the latest development of Universitas Airlangga's site, is where the University Management Office is located, along with some life-science faculties such as Faculty of Veterinary Medicine, Faculty of Science and Technology, Faculty of Public Health, Faculty of Fisheries and Marine, Faculty of Nursing, and several centers, such as Institute of Tropical Disease, Planning and Development Board, Research and Community Service Institute, and the International Office and Partnership (IOP).
